VOLLEYBALL SUMMER CAMP 2025:

TIMES: Monday – Thursday, 8AM – 10:45AM (Varsity players will start at 7AM)

The Volleyball Summer Camp will help your son/daughter get acquainted to our program and learn the Venice VB way of doing things. We will learn the game of volleyball that we play, as well as our strength and conditioning program. All girls will receive instruction from our Varsity Coaches.

We also fundraise during the summer. It is too late to wait till teams are picked in August to properly do this. We will have incentive programs for players whether they make the team or not.

This year the FREE PHYSICAL NIGHT will be on May 28th in the GYM (by the football field) at Venice High school.

The athletic paperwork will need to be uploaded to Aktivate.com, if you have an existing account, you should be able to upload right away. If you have a new student to VHS or incoming freshman you will not be able to upload any new forms for the 25-26 year until mid-May. All required athletic paperwork needs to be submitted online BEFORE the first day. We will take NO paperwork in person.

Summer volleyball is a great way to meet new people and become acquainted with the Volleyball Family.
